## THE ESTATE AND THE WINE

• This premium wine comes from a parcel of century-old vines planted in 1904 by Aurèle David, the present owner's great-great-uncle. These vines from before the Great War have suffered the rough edges of a sometimes harsh climate but continue to surprise us year after year by producing an outstanding "Grand Cru" wine, albeit in relatively small amounts.

- Varietal mix: Merlot, Malbec, Cabernet Franc and Cabernet Sauvignon.
- Soil and subsoil: Sandy clay over clay.
- Harvest: By hand with sorting at the parcel.
- Vinification: Entirely in 600-litre French oak barrels
- Maturing: All the wine is matured for 12 months in French oak barrels.
- Owner-Winegrower: EARL des Vignobles JF MUSSET
